

*Chuckey Elementary's SAT (and often the S-team will recommend for academic problems, as well) that a student who has received 3 or more ODRs for major offenses be put on the CARRY CARD system in order to be monitored on a daily basis for at least one month – often longer. We have found this system to be very successful for almost all of our students.*

*This is a sample letter that goes home to the parents of a student who is put on the carry card system. The Goals for students are set on an individual basis, and the reinforcers for meeting daily goals are individualize – all based on the needs of the student.*

Chuckey Elementary School  
(DATE)

To Parents of \_\_\_\_\_:

\_\_\_\_\_ behavior will be recorded on a “Carry Card” contract starting today. He/She may receive a total of 10 points for each class period and has a goal of reaching \_\_\_\_ points each day. If he/she reaches that goal, \_\_\_\_\_ will receive a KNOWS ticket at the end of the day. \_\_\_\_\_ will meet with Mrs. Taylor at the beginning and end of each school day to review his/her goals and behavior for the day. \_\_\_\_\_ should bring home the Carry Card each day to inform you of daily behavior. Please sign the Carry Card each day and have \_\_\_\_\_ return it the next morning to the meeting with Mrs. Taylor to let us know it was reviewed.

Thank you for your support.  
Sincerely,

\_\_\_\_\_, Classroom teacher

Teresa Taylor, Principal
